

How versatile is the Streamline Display Stand?

The Streamline Pop Up Display Stand includes flexible panels and an adjustable design.

Flexible printed panels make it possible to create a straight, curved or shaped exhibition stand.

Add & remove the poles and 1m wide panels to create a width of choice.

The below designs are made with the same stand and show how flexible and versatile the Streamline stand can be!

5m & 6m Wide L Shape

8m Wide U Shape
